(verse 1)

**My life belongs to You
And I'm here to lay it all before You
My world is in Your hand, Your perfect plan**

**I've come to give You praise
I love when You teach me Your ways
My heart is in Your hand, all I am**

(chorus)

**By the cross we overcome
You gave us Your life, You gave us Your life
And by the Blood we overcome
You gave us Your life, You gave us Your life**

(verse 2)

We're here to lay it all before You
Our world is in Your hand, Your perfect plan**

By Your mercy
By Your favor we overcome**
