

My World Is You

© Aaron Logan 2007

(verse 1)

Everything that You promised
Will come from Your hand
It's not up to me to make it happen
I will trust in Your plan

(chorus)

I'm in awe of You
I'm in awe of You
Lord, You took my life and made it new
I'm in awe of You

(verse 2)

Everything worth giving
Lord, I give to You
Because nothing can compare to
What You gave for me

(bridge)

My world is You
My life is You
My heart is You
My hope is in You
