

# Thankful

© Aaron Logan 2007

(verse 1)

Lord, my life has been made clean  
And my heart has been made new  
By what You've done in me  
You could have turned away  
But You chose to stay  
And make me more like You

(pre-chorus)

I don't deserve  
What You have done for me  
And I surrender

(chorus)

You are the one who saved my soul  
You are the one who makes me whole  
And I have found my purpose now  
You are the one who gives me hope  
You are the one who fills the hole  
Though I can't see what You see in me  
I am thankful  
I am thankful

(verse 2)

You are taking over now  
I have laid my burdens down  
Down here at Your feet  
You could have turned away  
But You chose to stay  
And make me more like You

(bridge)

How could I even try  
Savior of my life  
To ever be like You  
But when You draw me near  
I long to meet You here  
And give You everything
