

Your Love is Everything

© Aaron Logan 2007

(verse 1)

**Here I am
With my burdens in my hands
I need to see You
You are near
You've been drawing on my heart
It's all I can do**

(pre-chorus)

**To lay it all down
To stand this ground**

(chorus)

**Your hand is lifting me
Your life is all I see
Your grace has carried me
All of me, Your love is everything**

**Your words are life to me
Your heart is all I seek
Your grace has carried me
All of me, Your love is everything**

(verse 2)

**Lord, my life
Is in the palm of Your hands
I lean on You
In Your ways
You direct my steps
It's all I can do**

(back to pre-chorus)

(bridge 1)

**I lean on You
I lean on You
I lean on You
I know that You'll come through
I lean on You
I lean on You
I know that You'll come through
You always do, You always do**

(bridge 2)

**I believe
That I'm gonna see
Everything You have in store
Everything You have in store**
